ACT365 - *QUICK GUIDE*

## STEP 1: Registering as an ACT365 Installer

- Go to www.act.eu

- Login to the interACT Portal [Top Right Hand Corner of www.act.eu – Click Login]

- Once logged into the interACT Portal – Go to "My ACT365" and Choose "Sign Up"

STEP 2: Create your ACT365 Installer Portal

- On completion of Step 1 – You will receive an email to create your ACT365 Account

- Follow the link and create a password

- You now have access to your own ACT365 Installer Portal

ACT365

STEP 3: Purchase your ACT365 Starter Pack

We will debit €150 from your account on signing up.

The next day we will send you your ACT365 Starter Pack which includes:

- 1 x ACT365 ACU [Single Door Cloud Enabled Controller]
- 1 x ACTpro 1030e [Slimline Proximity Reader]
- 1 x Pack of 10 Fobs
- 1st ACT365 site free for 12 months

STEP 4: Promote your Company and ACT365

- Team up with ACT's Marketing Department
- Let ACT design an ACT365 promotional email campaign branded for your company
- Email it to your customers and receive all the leads!

STEP 5: Fit your first ACT365 door

- Install the ACT365 ACU on a door
- Log onto www.act365.eu … (No need to install software or worry about server specs)
- Commission the system from anywhere in the world!

ACT365 Installer Benefits

Easy to Sell – Use the ACT365 Smart Phone App for iOS or Android to demo the features of the system. Your customer will instantly see the benefits of ACT365 for their customer.
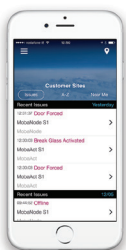

Easiest Install Yet! – No server specs, SQL databases or software install to worry about.

Remote Diagnostics and Servicing – Get alerts and push notifications of technical issues on your customer sites. Login from your PC, tablet or smartphone and resolve issues remotely.

Recurring Revenue – Earn additional recurring revenue by charging your customers annually for ACT365 hosting. Go one step further, charge more and provide a fully managed access control service.

ACT365 Smart Phone App

ACT365 has a smart phone app for the installer available in iOS and Android. ACT365 smart phone app features for the installer include:

List all customers by technical issue, by A – Z or by nearby customers.

Add and activate an ACT365 ACU to the system from your smart phone.

Click into, view and manage customer sites that you have access to.

Integrates with Google Maps to give you precise directions to your customers' premises.
